 RP Kelly:
 Kelly called regarding 415 cab drivers who park their
 cab on a daily basis in the morning hours. I have seen
 the cabs park their cabs at approximately 0500 hours
 when reporting for work at the BID. I contacted the
 property manager name of Ken Lapirov (323-969-0171)
 and discussed the situation with him. He has given his
 permission to enforce the parking lot as appropriate to
 solve the on-going problem. Furthermore, the owner of
 Highland Liquor (Helen) advised me that the cab
 drivers curse and harass her on a daily basis and refuse
 to leave when asked to move their vehicles. Morning
 watch officers will conduct enforcement of the parking
 lot starting tomorrow (8-20-2015). Enforcement will be
 documented on the following supervisor log for 8-20-
 2015.
